BRIEF DESCRIPTION OF WORK TO BE DONE: _____

One copy of the plans & specifications and one copy of a plot plan (showing setbacks) must be attached.

I hereby agree to comply with Zoning Ordinance adopted by the Town of Kensington as amended.

I hereby agree to comply with International Building Code as adopted by the Town of Kensington.

I agree to give the Building Inspector FORTY EIGHT (48) HOURS NOTICE before any rough wiring, plumbing, chimney and insulation is covered with wall material. I also agree to call the Building Inspector for all required inspections and to notify the inspector upon completion of the job.

NOTE: Electrical contractors are required to obtain a separate permit even though the cost of their work is included in this permit.
