Description of Proposed Electrical Work:

Start Date of Work: ____/____/____

Licensee: _____ Signature: _____
License Number: _____
Telephone Number & Email Address: _____
Mailing Address: _____

Note: It is the responsibility of all electricians to obtain the necessary permits from the Town Office **before** performing any work. Electricians must hold a valid license from the State of New Hampshire in order to obtain an Electrical Permit. Electricians must contact the Electrical Inspector for inspections before covering or concealing any electrical wiring, and again when the electrical work is complete. Inspections will be performed within 48 hours of request.

Application for Permit to Perform Electrical Work must be fully completed and returned to the Town Office before contacting the Electrical Inspector.

James G. Boyd, Electrical Inspector
