

# CHANGE IN NH CHILD PASSENGER SAFETY LAW \*

All children under age 7 or 57 inches (whichever is reached first) are required to use a child safety seat.

Requirement can be met by use of child safety seat with harness or booster seat.

This applies to all personal vehicles including passenger vehicles, pick-up trucks and SUVs.

\*RSA: 265:107-a Rules of the Road Child Passenger Restraints Required

**EFFECTIVE DATE:** January 1, 2014
