

Rental fee reduction for Not-For-Profit Groups

In an effort to promote the use of the park from local organization, and to continue to be a resource for our community, the Sawyer/Kensington Trust has outlined a proposal for the town to consider that would help facilitate this goal. The Trust voted to approve this fee reduction. We would like to see this voted on at the next Board of Selectman's meeting, and be effective July 1st 2014. **Approved July 7, 2014.**
