CITIZEN'S FORUM –

Citizens' forum is for residents that have a matter they need to discuss with the Board of Selectmen and were unable to get on the agenda for that meeting. Matters should be urgent in nature or otherwise time sensitive and require immediate attention. If you do have something that you would like to discuss with the Board, it is best to request to be on the agenda of a meeting and provide details of what you would like to discuss in advance so the Board can prepare in advance.
